

Velora V55 Smart TV

Regional Service Notice

Model	V55
Product code	VEL-V55-2025
Edition	Central Region - Notice RSN-18-2025

Service registration and handling information for participating Central Region retail channels.

1. Regional service period and registration

For products handled under this Central Region service programme, the stated service period is **18 months from the original retail purchase date**.

Eligible product

This notice identifies the Velora V55 Smart TV, Model V55, Product code VEL-V55-2025, purchased through a participating regional retailer.

Starting date

The printed date on the original retailer receipt or invoice is used to calculate the 18-month service period. Registration does not change the starting date.

Registration

Customers may register the product within 30 days of purchase to simplify contact details and collection arrangements. Registration is not a substitute for a dated purchase record.

Territorial handling

Collection and return are available only at addresses served by the participating Central Region logistics network.

Retain the original proof of purchase. Product identification and eligibility are checked before service is scheduled.

2. Request and handling procedure

Use the regional service portal or telephone desk before sending or transporting a television.

Handling exclusions

The regional programme does not include installation visits, wall-bracket removal, third-party equipment diagnosis or recovery of application credentials.

Chargeable work

If inspection finds accidental damage, liquid ingress, misuse or a fault in external equipment, a quotation may be offered before work continues.

Customer data

Sign out of personal services where practical. Service processing can include a factory reset.

Stage	Required information or action
Open request	Name, service address, Model V55 and serial number
Verify purchase	Retail receipt or invoice and product code VEL-V55-2025
Describe fault	Observed behaviour, displayed code and connected devices
Remote checks	Follow safe restart and connection checks when requested
Collection	Use approved packing and the assigned collection reference
Return	Inspect the returned product and report transport damage promptly

3. Contacts and notice administration

Quote the request number in every message concerning collection, diagnosis or return.

Escalation

If a collection or repair status remains unresolved, ask the desk to refer the request to the regional service coordinator.

Record retention

Keep copies of the purchase record, collection confirmation and service report.

Document updates

Operational contact details may be updated on the regional portal. The reference number above identifies this printed notice.
