Care Notes for the coated leather lounge chair

PRODUCT	VELLUM L2 coated leather armchair
---------	-----------------------------------

PRODUCT CODE	ARM-L2-880
--------------	------------

COVER MATERIAL	Pigmented coated leather
----------------	--------------------------

DOCUMENT	Leather care notes, revision 1.3
----------	----------------------------------

Routine care

- Remove dust with a dry microfibre cloth and avoid prolonged direct sunlight.
- For a fresh spill, blot without rubbing, then wipe with a cloth lightly dampened with clean water.
- After drying, apply a manufacturer-approved coated-leather conditioner in a thin layer.

Do not use

- Do not use fabric shampoo, washing-up liquid, chlorine bleach or abrasive pads.
- Do not apply these leather-care instructions to woven upholstery or removable fabric covers.

This document describes ARM-L2-880, not the LUNARA S3 fabric sofa.
