# Delivery and payment record

Reference this page together with order ID TCO-260228-F03 when checking fulfilment or a card transaction.

## Delivery address

12 Example Avenue, Budapest 1111. This address and customer identity are fictional and are used only in the InfoBank evaluation corpus.

## Substitution preference

Replace an unavailable item only with a comparable item. Do not substitute dairy milk with a plant-based drink unless the customer approves it in the order application.

## Payment authorisation

The payment card ending 4421 was authorised for the confirmed total of 7,111 HUF. The merchant may submit a different final amount after picking.

## Record integrity

The stable order identifier is TCO-260228-F03. A reissued confirmation with the same identifier represents the same order and must not be counted as a separate purchase.
