

Velora V55 Smart TV

Product Specification

Model	V55
Product code	VEL-V55-2025
Edition	Specification PS-V55-EN - February 2025

Technical characteristics for product identification, installation planning and connection selection.

1. Product overview

The Velora V55 is a 55-inch network-connected television intended for indoor household reception, streaming and use with external audiovisual equipment.

Intended use

The product is designed for stationary indoor use. It is not weatherproof and is not specified for commercial signage, medical display or vehicle installation.

Regional configuration

Broadcast tuner and application availability depend on country settings and service-provider support.

Item	Specification
Product name	Velora V55 Smart TV
Model	V55
Product code	VEL-V55-2025
Display class	55 inch / 139 cm
Native resolution	3840 × 2160 pixels
Panel type	LED-backlit LCD
Operating system	Velora Home OS 5
Colour	Graphite black

2. Display and audio

Picture and sound capabilities depend on the connected source, content format and selected operating mode.

Category	Detail
Panel	55-inch, 16:9, 3840 × 2160
Input refresh	Up to 120 Hz on compatible HDMI sources
HDR formats	HDR10, HLG and Velora Dynamic HDR
Picture modes	Standard, Cinema, Sport, Game, Vivid, Custom
Motion processing	Adjustable frame interpolation
Speakers	Two-channel, 2 × 12 W rated output
Audio outputs	HDMI eARC, optical digital, Bluetooth
Audio modes	Standard, Dialogue, Cinema, Music, Night

Rated audio output is measured under the manufacturer’s standard test condition and is not a measure of perceived room loudness.

3. Connections and networking

Connection locations are arranged between the rear recess and side panel for fixed and temporary equipment.

HDMI capability

Enhanced signal mode supports high-bandwidth 4K sources. Actual format support depends on source timing and cable quality.

Network services

Internet access is required for streaming, updates and online account functions. Service subscriptions are not included.

Interface	Quantity / capability
HDMI	4 inputs; HDMI 2 supports eARC
USB-A	2 ports for supported media and accessories
Ethernet	1 × RJ-45, 10/100/1000 network interface
Optical audio	1 × digital optical output
Antenna	1 × RF input for terrestrial/cable services
Wi-Fi	Dual-band 2.4 GHz and 5 GHz
Bluetooth	Remote control and supported audio devices

4. Dimensions, mounting and energy

Dimensions are nominal and may vary slightly with manufacturing tolerances.

Measurement	Value
With stand (W × H × D)	1228 × 776 × 265 mm
Without stand (W × H × D)	1228 × 712 × 68 mm
Stand width	980 mm between outer feet
Net mass with stand	16.8 kg
VESA mounting pattern	300 × 200 mm; M6
Rated supply	220-240 V AC, 50/60 Hz
Typical power	92 W, Standard mode
Standby power	< 0.5 W with network standby disabled
Operating temperature	5-35 °C

Wall bracket, anchors and installation labour are not included. The supporting structure must be assessed independently.

5. Package, environment and compliance

The retail package contains the television, stand parts, remote control, batteries, mains lead and quick-start information.

Environmental handling

Operate and store the product within the manual limits. Take the television and batteries to an approved collection facility at end of life.

Conformity

Regional declarations and radio information are identified by the compliance marks on the rating label and supplied safety sheet.

Specification changes

Velora may make production changes that do not materially reduce the stated function. Software interfaces can change through updates.

Package item	Detail
Carton size	1360 × 840 × 155 mm
Gross mass	21.4 kg
Included stand	Two-leg tabletop stand with four screws
Remote batteries	2 × AAA
Printed material	Quick-start and safety sheet
Packaging	Corrugated fibreboard with moulded protective inserts
