Delivery and payment record

Reference this page together with order ID TCO-260306-G18 when checking fulfilment or a card transaction.

Delivery address

12 Example Avenue, Budapest 1111. This address and customer identity are fictional and are used only in the InfoBank evaluation corpus.

Substitution preference

Replace an unavailable item only with a comparable item. Do not substitute dairy milk with a plant-based drink unless the customer approves it in the order application.

Payment authorisation

The payment card ending 4421 was authorised for the confirmed total of 10,891 HUF. The merchant may submit a different final amount after picking.

Record integrity

The stable order identifier is TCO-260306-G18. A reissued confirmation with the same identifier represents the same order and must not be counted as a separate purchase.
