Goods subtotal	6,535 HUF
Delivery charge	899 HUF
Bag charge	120 HUF
Confirmed total	7,554 HUF

Payment is collected after picking. The final card charge may change if a weighed item is adjusted or an approved substitution changes the basket total.

Delivery and payment record

Reference this page together with order ID TCO-260218-E22 when checking fulfilment or a card transaction.

Delivery address

12 Example Avenue, Budapest 1111. This address and customer identity are fictional and are used only in the InfoBank evaluation corpus.

Substitution preference

Replace an unavailable item only with a comparable item. Do not substitute dairy milk with a plant-based drink unless the customer approves it in the order application.

Payment authorisation

The payment card ending 4421 was authorised for the confirmed total of 7,554 HUF. The merchant may submit a different final amount after picking.

Record integrity

The stable order identifier is TCO-260218-E22. A reissued confirmation with the same identifier represents the same order and must not be counted as a separate purchase.

Order date	2026-02-18
Milk quantity	2 litre(s)
Contains bread	No
Confirmation revision	Original confirmation

Keep this confirmation until the final card charge appears on the account statement.
